

Welcome to the Magor Primary School Parent, Teacher and Friends Association (PTFA) page!

Who are we?

The Magor Primary School Parent, Teacher and Friends Association (PTFA) is a group of people eager to support the school in the best way possible.

We are a registered charity (*registered charity no.1069561*) raising funds to provide the children with an enhanced experience at our school. All members are volunteers with Disclosure Barring Service (DBS) checks and a mission: to make our school the best place for children to learn.

What we do:

We bring together parents, teachers, children, family members and school supporters from the local area to raise funds and strengthen the school community.

We work tirelessly to organise fun activities and useful services, which include: Christmas and Summer fayres, pre-loved uniform shop, pupil photographs, raffles, quiz nights and much more.

The money raised by the PTFA is usually spent on things that the school budget does not cover, and so helps to heighten the school adventure!

The PTFA are delighted to have recently been able to provide the children in Reception JE and Reception JO with a new sandpit.

Who Can Join the Magor CIW Primary School PTFA?

Anyone with a vested interest in Magor CIW Primary School can apply to join and will be warmly welcomed at our next meeting.

We encourage any parents, guardians, grandparents, or members of the local community that can offer time, skills, or creativity to join in with our events throughout the school year. The committee meets monthly, and we are always eager to hear new ideas and gain some extra pairs of hands for our activities.

Alternatively, you can join our growing list of part time helpers who offer their services when time allows.

Any help you can offer, however small, would be most appreciated by both the PTFA and the children.

A warm welcome awaits! So please get in touch with any ideas or services that you could bring to our group, by emailing:
magorschoolptfa@gmail.com.

Our recent projects:

We have been working closely with the school to help improve the outdoor space, and some of our recent fundraising efforts have helped us to provide:

- Equipment for the outdoor classroom, including outdoor whiteboards and log benches
- Outdoor gym equipment for the Junior yard
- A 'trim trail' in the Infant yard
- A new sandpit for the Reception yard
- Play shop and mud-kitchen
- A reading shed for Year 3 / 4
- Outdoor learning and water-play equipment

The PTFA were thrilled to provide the children in Year 1 with a fantastic outdoor shop and mud-kitchen. The new addition is thanks to a much-appreciated grant from POBL, and the fantastic Christmas fundraising activities.

Our sincere thanks to everyone who has supported our recent fundraising efforts, from the local businesses who help us, to the parents, families and residents who help make our events a success.

Our current goals:

We are now working on raising funds to help provide a host of exciting new additions to the school, including:

- Sound and lighting equipment for the school hall
- Books for Upper Key Stage 2
- PE equipment for Key Stage 2

The profits we raise will ensure we can continue to support our school and help to make the school experience as exciting and engaging as possible for the children.

How you can support us:

As well as attending our events and supporting our fund-raising initiatives, there are additional, simple, things you can do to support the PTFA and help us to continue raising funds to enhance the school experience:

- **Do you often shop online at Amazon or other online stores?**

If the answer is yes, then you can help us raise even more money without it costing anything at all! All you need to do is select **Magor**

Primary School PTFA as your chosen charity for both Amazon Smile and for the website: *Give As You Live*. The PTFA will receive funds from these sites each time you shop through them.to
