27th September 2024

Dear Parents/Carers,

As a staff, we have been discussing the importance our school holds within the local community. We believe that you, as parents and carers hold an important role within our school community and, with this in mind, would like to invite you to the first of our events.

On the 23rd October we will be holding the first open day of the year. This will run from 2.00–3.15pm and will be an opportunity for you to visit the school during a normal working day, to see some of the activities that your children take part in on a daily basis. During the second half of the Autumn term, you will receive another invite to attend a sharing learning event, where you will be able to see your children's books.

This term, I would like to introduce a parent forum group. We really value the strength and benefits of positive partnership working with parents and would like to invite one parent from each class to volunteer to attend a half termly meeting with myself. The meetings would provide the opportunity to share, discuss and resolve whole school issues and for the school to seek the views of parents as part of whole school improvement. If you would be interested in this role, please pass your name and contact details onto the school office.

Finally, I am keen to harvest parents' views on the school currently so that this can help inform our development plan. Below is a link to a form and I would be grateful if you were able to find the time to fill it out with your views.

Many thanks in advance and I hope you all have a wonderful weekend.

Cofion cynnes/Kindest regards,

Anthony Dixon-Gough
Headteacher
