6<sup>th</sup> September 2024

Dear Parents and Carers,

As we reach the end of our first week of the Autumn term and my first week as Headteacher of Magor CiW Primary School, I wanted to write to you all to commend you on your wonderful children. Without exception, they have settled back into school life and have demonstrated themselves to be kind, caring and polite members of our community. I have been made to feel very welcome and have enjoyed being taught some Welsh! As I have wandered around the school, I have been struck by the purposeful atmosphere in all progression steps. The children genuinely seem to love being in school and have been thoroughly engaged in their learning.

This is in no small part due to the highly dedicated and talented staff team that we have at the school. I have been thoroughly impressed with their desire to provide the best possible education for your children. The planning that has gone into our curious curriculum is no small feat, but I believe that it pays dividends in ensuring that your children enjoy school, but also see the context behind their learning.

I can see that Magor is a wonderful school and over the coming years, I look forward to building upon its past successes.

Next week, I plan on spending more time in the classrooms, learning our strengths and looking at where these can be shared, as well as getting to know your children. I will aim to be on the playground at the start of the day as much as possible, so please do come and say hello.

Later on this term, we hope to have an open morning and we would be delighted to show you some of the amazing things that are happening throughout the school. As soon as we have finalised the date, we will share this with you.

Thank you for all of your support and I hope that you have a wonderful weekend.

Cofion cynnes/ kindest regards,

Anthony Dixon-Gough  
Headteacher
