13th October 2020

Dear Parents/Carers,

Harvest

Our school theme for this half term has been 'All Together Now'. This is not just about all our learners being back together but is about supporting our local community – we are all together in these strange times. With this in mind, and at a time when foodbanks are needed more than ever, our harvest collection will be going to Caldicot Foodbank. We would appreciate any donations of packet or tinned items before the end of half term, unfortunately we are unable accept perishable goods such as fruit or vegetables.

Poppy Appeal

Our poppies have now arrived in school. Alongside poppies there are a variety of poppy themed items such as zip pulls, reflectors, wristbands and snap bands with suggested donations between 50p and £1.50. We will be selling these in a covid secure manner in class groups. If you would like to make a donation please send the money in with your child, if possible in a named envelope.

Cofion cynnes,

Mrs S. Hamer

Headteacher
