3rd July 2020

Dear Parents/Carers,

What a wonderful week! It has been great to see the school come back to life with the smiles and laughter of our children. They have been amazing; adapting to new routines and a new way of working, many have even said they prefer the small groups and having their own desks and work space!

I would like to thank you all for supporting our new procedures, such as no school bags, and role modelling social distancing when dropping off and picking up - you have been model parents and deserve gold stars! We really appreciate the many messages telling us what a great time your child has had and how our planning and preparation has eased their anxieties.

As I write to you on Friday afternoon, 2 weeks before the end of term, we have had no direction from Welsh Government about September. Unfortunately this means at this stage I cannot share with you any information you would normally have such as class teachers, training days or transition plans for our younger pupils. We are currently trying to plan for half a dozen different scenarios which all have different logistical implications, any one of which will take time to implement. As soon as I am able I will share plans with you.

It has been an absolute pleasure to have so many of our children back to school this week. We hope they have enjoyed it as much as we have.

Cofion cynnes

Mrs S. Hamer
