26th March 2020

Dear Parents/Carers,

Firstly, I hope you and your families are all well. This time last week we knew we were closing and plans had been put in place to work and learn from home. Here we are now, almost at the end of the first week and what a week it has been!

It has not been without challenge. There has been a steep learning curve for staff as they get to grips with virtual staff meetings for the first time and find ways to remotely teach their class. Home learning was uploaded yesterday and by now I hope you or your child have had the opportunity to log on and start some of the tasks set. Although we don't expect work to be returned for marking it would be great if we could have at least one message from pupils a week. If we don't hear from you we may telephone you, just to check you are able to access the online platform or if there is anything we can help with.

Over the next few weeks we will aim to establish video conferencing so children can see and speak to their teacher. In this very strange time of isolation, communication such as this is so important for mental health.

Please remember to follow the Government guidance and look after yourselves.

Best wishes

Mrs Hamer

Headteacher
