Dear Parents and Carers,

Please see attached letter from Will McLean, Chief Officer for Children and Young People, Monmouthshire County Council. Please note the following key points:

- Monmouthshire County Council are co-ordinating this contingency plan not individual schools.
- This access is for children of **Key Workers** only at present.
- There is no access to this provision for vulnerable learners on Monday but they will be developing this in the coming days.
- Magor Primary School will not be open for this provision.
- Registration information will be on www.monmouthshire.gov.uk later today.
- ***If children can stay safely at home, they should, to limit the chance of the virus spreading. That is why the government has asked parents to keep their children at home, wherever possible, and asked schools to remain open only for those children who absolutely need to attend.***

Please take care.

Best Wishes

Mrs S Hamer
