Dear Families and Friends

School and Estyn Update

Happy new year to you all; I hope that your children have settled back into school. My letter at the end of term confirmed that Estyn had completed their re-inspection and that the school would publish the report once Estyn had made the report public. Please find attached the Report.

The Estyn Report confirms

“Magor V.A. Primary School is judged to have made sufficient progress in relation to the recommendations following the most recent core inspection.

As a result, Her Majesty’s Chief Inspector of Education and Training in Wales is removing the school from the list of schools requiring significant improvement”.

The 2019 Estyn Report provides an update on the 8 Recommendations contained within the Estyn inspection completed in 2017.

The Education Advisory Services (EAS) has also reviewed our school and will publish its findings by the end of January; we will of course issue the results of the EAS Categorisation once the report is published.

The Governing Body and staff would like to invite all parents and carers to a meeting on **Wednesday 6th February 2019 at 15.30** so that you can meet Governors, school leadership and staff and ask any questions regarding the Estyn Report and EAS categorisation. School will provide a classroom(s) and activities for your children to enable adults to attend the briefing.

I believe our school has made significant progress and I would personally like to thank all our staff, Mrs Hamer and Governors for working with our partners at Monmouthshire County Council, The Diocese and EAS. The recent results demonstrate what can be achieved in a short space of time with team work and determination. We all look forward to continuing the journey in 2019.

Yours sincerely
