

June 2018

Dear parents, carers and friends of Magor CIW Primary School,

Welcome to the June edition of our Magor Messenger. Here you can find out what has happened in school this month and what we are planning for the month ahead. Further information can also be found on the school website, including a calendar of dates and class specific pages.

Christian Values

The value that we will be focussing on in worship and in RE lessons for this half term is friendship.

Mrs Allen Kindness Award

The Mrs. Allen kindness award for this half term was awarded to all Year 6 pupils in KS2 and Chiara Glebocka in FP. Well done!

Sport's Day

The weather was on our side this year and the children had a fantastic day! It was lovely to see so much support from families and friends! Congratulations to all of our pupils and their positive attitudes towards the day, which included events such as javelin, bean bag races and sprinting. The winners for Foundation Phase were Orange House and Key Stage 2 winners were White house. Well done!

Cymraeg Campus

Criw Cymraeg are pleased to say that we are working really hard on our bronze award. Many of our targets are complete and we are positive we will achieve our bronze award in July. Diolch yn fawr to Art club who are creating outstanding pieces of Welsh Art on Canvas in the style of Rhiannon Roberts. This has enabled us to achieve the last part of Target 1. A big thanks to Rebecca Leighton, Mrs Johnson and Mrs Cuff for running our Welsh Art club. Remember to look at our blog on the website. Mae'n ffantastig!

Hockey News

Well done to the hockey team for their superb efforts on 22nd June. They won four out of the five rather sweaty and tiring matches!

Year 5 Gilwern Visit *written by Will and Iwan (Y5)*

A few weeks ago, we went on a trip to Gilwern Outdoor Centres. They took good care of us with the food; it was very tasty. We did lots of enjoyable activities and we had lots of good leaders, called James, Paddy, Tim, Gavin and Les.

On Monday, we arrived at Gilwern and found out our dorms. We unpacked our suitcases, then we did a fire drill. Our first activity was The Maze. We had to memorize squares and step through them to get to the other side. After that, we did the Wobble Board. We had to balance our whole group on a wobbly board, all of us getting on and off.

The next day, we did caving, it was great. We did it with a man called Tim. We had to go through very small gaps.

On Wednesday, we did climbing with Gavin. We climbed up a climbing wall and walked along Blorengce.

On the last full day, we did canoeing with Gavin. We had a lot of races, and at the end we got to slide into the water.

On Friday, we got all of our things together, then we did our last activity, which was orienteering, with James. Then we left Gilwern and went home.

Magor Marsh Visits

Lower Key Stage 2 have enjoyed their Magor Marsh Visits – they found lots of bugs around the school! (The living kind!)

Confirmed dates for Summer Term;

- 6th July - Reception Strings Concert – 1.30pm
