Dear Families and Friends

### Summer Term

I hope that your children have enjoyed their year in school; I still find it difficult to believe how quickly the school year progresses. This academic year has witnessed our school experience some very significant changes. The arrival of our new head teacher Mrs Hamer; the Education Advisory Services moving the school from the red category to Amber and the revisit from Estyn taking the school out of the category "schools requiring significant improvement".

The improvements within Magor Church in Wales Primary School are a demonstration of what can be achieved in a relatively short space of time when staff, parents, PTFA, governors, Diocese, Monmouthshire County Council and Education Advisory Service all work together with a common purpose. I believe our children and staff will now reap the rewards of the foundations set by Mrs Hamer and the school leadership team over the coming years. Our school has also been approached to be used as an example on how to promote positive change within a school environment to inspire others.

We must also remember that Archbishop Rowan Williams School (ARW) have provided a significant amount of support over the last 18 months. I am pleased to confirm that Magor is now reciprocating the support to ARW and I hope that both schools will continue to have a closer working relationship.

A huge thank you goes out to all who have supported and nurtured the changes within our school.

At our last Governing Body meeting I confirmed that I was stepping down as Chair of Governors. Being the Chair of Governors has been an honour and a privilege to serve our school and oversee the changes. The position is time consuming and I must now focus on my own business commitments and family; this is not a decision I have taken lightly. I am confident that Mrs Hamer will progress our school working with the new Chair of Governors. I will remain your parent governor for the next academic year; if you are interested in the position of parent governor and would like more information please let me know. The nomination forms are likely to be issued this time next year.

Finally I would like to wish our year six pupils every success as they leave Magor Church in Wales Primary School to further their education. I hope that Magor has set the foundations for our children to develop and enhance their education and experience.

Yours sincerely

Glen Ingleson  
**Chair of Governors.**
