

October 2021

Welcome to the October edition of our Magor Messenger.

It has been lovely to welcome our children back to Magor School! This term our focus has been on developing ourselves as:

Enterprising, Creative Contributors who...

- connect and apply their knowledge and skills to create ideas and products
- think creatively to reframe and solve problems
- identify and grasp opportunities
- take measured risks
- lead and play different roles in teams effectively and responsibly
- express ideas and emotions through different media
- give off their energy and skills so that other people will benefit
- are ready to play a full part in life and work.

These elements from the **Four Purposes** (Curriculum for Wales) have been the focus of our learning along with endeavouring to be;

Ambitious, Capable Learners who:

- set high standards and seek and enjoy challenge;
- are building up a body of knowledge and have the skills to connect and apply that knowledge in different contexts;
- are questioning and enjoy solving problems;
- can communicate effectively in different forms and settings, using both Welsh and English;
- can explain the ideas and concepts we are learning about;
- can use number effectively in different contexts;
- understand how to interpret data and apply mathematical concepts;
- use digital technologies creatively to communicate, find and analyse information;
- undertake research and evaluate critically what they find and are ready to learn throughout our lives.

Skills which will permeate all of our learning at Magor Primary.

For more information on the new CfW:

Pictures of some of the work we have been doing below!

Parent Consultations

Following the positive feedback received at the end of last academic year, we have also completed this year's Autumn consultations online. Again, feedback coming through has suggested this has been a success and we would like to thank all those that attended these meetings.

Fond Farewell

After around eight years of service to Magor School, Mrs Wood is now leaving us to continue in her previous career in the construction industry. We wish her every success and thank her for all her contributions to the school.

Swhmae Day

Thank you to all the children and their fabulous efforts on Swhmae Day! The school was very colourful and lots of Welsh chatter could be heard all around!

Twitter Reminder

Just a little reminder to follow us on Twitter if you can. We aim for each class to do a Tweet a Week. This is a great way of seeing the lovely work happening each week in school.

@magorciwprimaryschool

Diary Dates
